**FARES**

Call-A-Bus route fares are determined by the number of zones traveled in or through. The initial (minimum) fare for travel within any zone is \$3.50 (\$1.50 for Seniors 65+). Subsequent zones traveled in or through are an additional \$1.00 each. Zones consist of four square miles each. Check your area zone map to determine how many zones your trip entails or call ATA Customer Service for assistance. Each additional zone for Seniors is \$.15. Fare for children ages 12 and younger is 1/2 of the regular fare.

# ATA CAB BUS

CAB BUS service is the most demand responsive ATA offers. Where CAB service exists, grids/zones are established and show where the service is available. CALL-A-BUS is a public transportation service operated by the Area Transportation Authority in your county. The service requires prior day reservation, is a shared-ride, and open to everyone. Prior working day reservation is required to allow ATA to schedule the route of the bus (or van) to accommodate the most people in the most efficient manner.

- This is a shared-ride which means there may be several people on the bus or van with you. Upon making your reservation you give up exclusive use of that vehicle. Call 1-866-743-3282.
- Go anywhere you wish within the areas served. Some common destinations are shopping, doctors, work, or senior activity centers.
- Fares vary according to where you are coming from or going to. When you call to reserve a ride, our dispatcher will give you fare information. As a benefit of the PA Lottery Program, all Senior Citizens 65 years of age or older may ride this route at a greatly reduced rate at anytime provided that prior working day reservations are made. But, remember anyone can ride just by paying a fare.
- With proper identification that you are age 65 or older (birth certificate driver's license, baptismal certificate, etc.) you are eligible for the reduced fare. You can obtain an ATA photo I.D. card by appointment. Call ATA Customer Service for details 1-866-282-4968.
