Shared

ATA's Shared Ride Program for Senior Citizens enables seniors 65 years of age and older to use shared-ride, demand-responsive services and pay only a small portion of the regular shared-ride fare. Senior citizens or an approved third party sponsor pay 15% of the fare and the Lottery fund pays the remaining 85% on local shared-ride transportation service. The ATA Shared-Ride discount is available during all general public transportation service hours offered by ATA in the counties served by ATA.

Program Eligibility

To be eligible, a person must be at least 65 years of age and complete an application form. (Left)

Program Description

ATA's **Shared-Ride Program for Senior Citizens** enables persons 65 years of age and older to use shared-ride, demand-responsive services and pay only a small portion of the regular shared-ride fare.

To participate in the program, the individual must be registered with ATA. **All rides must be requested at least one working day prior to the scheduled pickup time to qualify for the discount.**

Remember, any subsequent change in your ride reservation may result in a full fare trip. If you live in a served area of Cameron, Clearfield, Elk, Jefferson, McKean or Potter counties, ATA will pick you up at your home (or another location of your choice) and take you to your destination. Later, ATA will pick you up at a scheduled time for the return trip to your home. For information on specific service areas and schedules visit the ATA website at RideATA.com or contact the ATA's Customer Service Department **1.866.282.4968**.

Share

Shared-ride trips are scheduled based on demand and the availability of resources. ATA fits all trip requests into a schedule that varies day to day. Some vehicles fill up quickly. Make reservations as soon as possible or within two weeks prior to departure. While ATA makes every effort to meet the needs of its customers, there are limited resources and ATA may not be able to accommodate every request. ATA reserves the right to create and adjust schedules on an "as needed" basis; and to eliminate routes when an inadequate demand exists. Remain flexible in your plans to assure your place on the bus.

Cost

The Pennsylvania Lottery Shared-Ride Program pays up to 85% or \$42.50 whichever is less, of the regular fare. The senior citizen, or an approved third party sponsor, pays the remaining balance of the fare. The Shared-Ride discount is available during all general public transportation service hours offered by ATA. Regular fares for shared-ride services are at least \$2.25 and go up from there depending on the service type and the distance traveled. These fares are heavily discounted. For instance, a regular fare of \$2.25 would be discounted so that your portion could be 35 cents. Your portion of a fare of \$3.50 could be 55 cents. ATA can provide you with specific fare information based upon the service needed and availability.
