If you answered YES to the questions above then vanpooling is probably to your advantage. Now that the service is available there are some simple steps to take in forming your own network of vanpoolers.

1.

Locate a minimum of 7 and up to 12 people who live and work near you and who are interested in vanpooling. If you need assistance with creating a group you can contact the network by telephone. Call TOLL FREE 1.866.282.4968.

2.

After you have a vanpool group together request a formation meeting with the network. At this meeting we will review the basic route to be taken and the vehicle type to be used. We will also help you choose a group coordinator/driver and an alternate driver. Request a meeting with the network coordinator Call 1.866.282.4968.

3.

There's one more thing. Contact your employer to see if they offer the \$245 federal pre-tax benefit for vanpooling. A network representative will offer to speak with your employer about this pre-tax benefit program and how it helps you and helps them. Visit [VanpoolAdvantage.net](http://VanpoolAdvantage.net).
